REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of
Catholic Charities of Fairfield County, Inc.:

We have audited the accompanying consolidated financial statements of Catholic Charities of Fairfield County, Inc. and Affiliate (collectively, "Catholic Charities"), which comprise the consolidated statement of financial position as of June 30, 2015 and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Catholic Charities' preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities' internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Catholic Charities of Fairfield County, Inc. and Affiliate as of June 30, 2015, and the consolidated changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other matters

2014 Financial Statements

The financial statements of Catholic Charities as of and for the year ended June 30, 2014 were audited by other auditors. Those auditors expressed an unmodified opinion on those 2014 financial statements in their report dated December 19, 2014.

NOTE 1 - ORGANIZATION

Catholic Charities of Fairfield County, Inc. (“CCFC”) is a not-for-profit, non-stock corporation organized under the laws of the State of Connecticut in April 1955 by the Bridgeport Roman Catholic Diocesan Corporation (the “Diocese”). The members of Catholic Charities are the Bishop, the Vicar(s) General, and the Chancellor of the Diocese, the President of Catholic Charities, and such other members appointed by the Bishop. No less than six members will be appointed. Catholic Charities has a Board of Directors consisting of those members and up to nineteen lay people. The mission of CCFC is to put faith into action by providing food, housing, mental health, adoption, immigration and family support services to the needy and vulnerable of all faiths in Fairfield County, Connecticut.

Catholic Charities of Fairfield County Holdings, LLC (“CCFCH”), a single member limited liability company established by CCFC, was organized under the laws of the State of Connecticut in September 2012 to provide transitional housing facilities to support CCFC’s mission. There was no activity for this limited liability company during 2015 or 2014.

The accompanying consolidated financial statements include the transactions of CCFC and CCFCH (collectively, “Catholic Charities”). All material intercompany balances and transactions have been eliminated in the accompanying consolidated financial statements.

Program Services - Catholic Charities provides the following services:

Food Services - Food services includes two of the State of Connecticut’s largest soup kitchens, a mobile breakfast program, food pantries, and a congregate and home delivered meal program for the elderly.

Behavioral Health Services - Behavioral health services provide family and individual counseling throughout Fairfield County, Connecticut. Behavioral health services have district offices in Bridgeport, Danbury, and Norwalk, Connecticut.

Family Services - Family services provide school readiness for children who would otherwise not receive pre-school preparation, through the Room to Grow Early Childhood Education Center, as well as a full array of Family Directional services including adoption and pregnancy outreach activities. In addition, family services include immigration outreach services that have been accredited by the U.S. Department of Justice to meet a broad spectrum of challenges normally faced by families new to the United States.

Community Services - The Community services program provides assistance, training, counseling and family support services to not only individuals and families who are chronically homeless, dealing with substance abuse, mental health issues as well as those who due to Hurricane Sandy need assistance and support.

Housing Services - Housing services programs provide rental assistance and support services to formerly homeless families and individuals who have documented disabilities. The support services assist these families and individuals with life skills as they move towards self-sufficiency. Housing programs consist of a network of both transitional and permanent housing.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying consolidated financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), with all intercompany balances and transactions eliminated. Accordingly, the classification of Catholic Charities' net assets and its revenues, support, and expenses are based on the existence or absence of donor-imposed restrictions. The amounts for each of the three classes of net assets, permanently restricted, temporarily restricted and unrestricted, are displayed on the consolidated statement of financial position and the changes in each of those classes of net assets are displayed in the consolidated statement of activities.

Net assets consist of the following:

Unrestricted:

Net assets that are neither permanently nor temporarily restricted by donor-imposed stipulations and, therefore, are available to carry out Catholic Charities' operations and mission.

Temporarily Restricted:

Net assets resulting from contributions and other inflows of assets whose use by Catholic Charities is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of Catholic Charities pursuant to those stipulations. When such stipulations end or are fulfilled, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions.

Permanently restricted:

Net assets resulting from contributions and other inflows of assets whose use by Catholic Charities is limited in perpetuity by donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by actions of Catholic Charities. Catholic Charities did not have any permanently restricted net assets as of June 30, 2015 and 2014.

Cash and Cash Equivalents

Catholic Charities considers all highly liquid investments with original maturities of less than 90 days from the date of purchase to be cash equivalents.

Accounts Receivable

Catholic Charities generally does not require collateral or other security in providing health care and other services to clients. However, Catholic Charities routinely obtains assignment of clients' benefits payable under their health care insurance programs, plans or policies. Based on management's assessment of the credit history with clients having outstanding balances and their current relationships with them, it has concluded that a reserve is not deemed necessary at June 30, 2015 and 2014, respectively. Accounts receivable balances are written-off when management has concluded that all reasonable methods of collection have been exhausted.

CATHOLIC CHARITIES OF FAIRFIELD COUNTY, INC.

Notes to Consolidated Financial Statements

June 30, 2015 and 2014

Property and Equipment

Property acquisitions and related improvements thereto that exceed \$2,000 and with useful lives greater than three years are capitalized at cost and depreciated on a straight-line basis over the following estimated useful lives:

Buildings	30 - 40 years
Furniture and fixtures	3 - 5 years
Automobiles	3 - 5 years
Leasehold improvements	5 - 30 years
Computer equipment	3 - 5 years

Repairs and maintenance are charged to expense as incurred.

Contributions

Unconditional contributions are recognized when pledged or received. Contributions receivable that are expected to be collected in more than one year are discounted to their present value using a credit adjusted discount rate which articulates with the collection period of the respective pledge. Restricted contributions received in a period in which the restrictions are met are recognized as part of unrestricted net assets. Conditional promises to give, if any, are recognized when the conditions on which they depend are substantially met. Based on management's history with donors having outstanding balances, it has concluded that a reserve is not deemed necessary at June 30, 2015 and 2014, respectively.

Contributed Goods and Services

Contributed goods and services for the years ended June 30, 2015 and 2014 consisted of donated space for the Senior Nutrition programs; food, clothing and toys for the School Readiness and Housing Programs; construction management services associated with the New Covenant Center; and, other miscellaneous donations received for programmatic activities.

Bequests and Other Intentions to Give

During fiscal 2015 and 2014, Catholic Charities recognized bequest revenue totaling \$477,949 and \$69,679, respectively, which has been included within non-governmental grants and contributions on the accompanying consolidated statement of activities.

Additionally, Catholic Charities has been notified of certain other intentions to give under various wills and trust agreements, the realizable amounts of which are not presently determinable. Catholic Charities' share of such bequests is recorded when Catholic Charities has an irrevocable right to the bequest and the proceeds are measurable. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

CATHOLIC CHARITIES OF FAIRFIELD COUNTY, INC.

Notes to Consolidated Financial Statements

June 30, 2015 and 2014

Governmental Grants

Governmental grant revenue is recognized to the extent that allowable program expenditures have been incurred in accordance with the terms of the related agreement to which they pertain. Grant receipts in excess of expenditures are recognized as refundable advances. Based on management's history with government agencies having outstanding balances, it has concluded that a reserve is not deemed necessary at June 30, 2015 and 2014, respectively.

Program Services Revenue

Program services revenue is recognized when services are provided. Catholic Charities bills for services and recognizes revenue using a sliding fee scale based on patient family income levels.

Program services revenue consisted of the following for the years ending June 30, 2015 and 2014:

	<u>2015</u>	<u>2014</u>
Food	\$ 217,685	\$ 239,058
Clinics	627,132	501,777
Family services	480,140	339,524
Community support	4,490	7,054
Housing	6,124	19,238
	<u>\$ 1,335,571</u>	<u>\$ 1,106,651</u>

Refundable Advances

Amounts from grants, contracts and other funds for related program services received in advance but unearned are reflected as refundable advances on the consolidated statement of financial position and are subsequently reflected on the consolidated statement of activities during the period to which they apply as the funds are expended and earned.

Conditional Asset Retirement Obligation

Catholic Charities has a conditional asset retirement obligation for asbestos material associated with the Merton SRO, which it owns. This obligation is defined as a legal obligation associated with the future retirement of a tangible long-lived asset in which the timing and/or method of settlement is conditional on a future event that may or may not be within the control of Catholic Charities. The present value of this obligation and resulting accretion expense, together with the related asset retirement cost capitalized, accumulated depreciation and depreciation expense, are recognized in the accompanying consolidated financial statements.

Functional Expense Allocation

Expenses are charged directly to Catholic Charities program services, management and general, and fundraising, and are based on specific identification to the extent practicable. Expenses related to more than one function have been allocated using reasonable ratios determined by management to be appropriate. Management and general expenses include those expenses that are not directly identifiable with a specific function, but provide for the overall support and direction of Catholic Charities.

CATHOLIC CHARITIES OF FAIRFIELD COUNTY, INC.

Notes to Consolidated Financial Statements

June 30, 2015 and 2014

Concentration of Credit Risk

Financial instruments that potentially subject Catholic Charities to concentrations of credit and market risk consist principally of cash and cash equivalents on deposit with financial institutions, which from time to time may exceed the Federal Deposit Insurance Corporation limit. Management does not believe that a significant risk of loss is likely due to the failure of a financial institution Catholic Charities utilizes.

Catholic Charities receives a significant portion of its funding from federal and state grants. As with all grants, there is a risk that future grants will be reduced or eliminated. A significant reduction in grant revenue would have a significant impact on Catholic Charities' program services.

Income Taxes

Catholic Charities recognizes an individual tax position in its consolidated financial statements based upon whether the tax position is more likely than not to be sustained upon examination by the applicable taxing authority, including resolution of any related appeals or litigation processes, based on the technical merits of the position. Catholic Charities has processes presently in place to ensure the maintenance of its tax-exempt status; to identify and report unrelated income; determine its filing and tax obligations in jurisdictions for which it has nexus; and to review other matters that may be considered tax positions. As of June 30, 2015, management has determined that Catholic Charities has no uncertain tax positions that would require recognition or disclosure in the consolidated financial statements. The tax years ended 2012, 2013, 2014 and 2015 are still open to audit for both federal and state purposes.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. Financial statement areas where management applies the use of significant estimates consists primarily of determining allowances for doubtful accounts related to grants, accounts and other receivables, the value of in-kind contributions and conditional asset retirement obligations. It is management's opinion that the estimates applied in the accompanying consolidated financial statements are reasonable. However, actual results could differ.

Subsequent Events

Catholic Charities evaluated its June 30, 2015 consolidated financial statements for subsequent events through January 22, 2016, the date the consolidated financial statements were available to be issued. Other than as disclosed in Notes 6 and 11, Catholic Charities is not aware of any subsequent events that would require recognition or disclosure in the accompanying consolidated financial statements.

Reclassification

Certain June 30, 2014 consolidated financial statement amounts have been reclassified to conform with the current year's consolidated financial statement presentation. Such changes did not change total assets, liabilities, or net assets as previously reported.

NOTE 10 - CONTINGENCIES

Catholic Charities receives funding in the form of state and federal grant programs, Medicaid and Medicare reimbursements. The use of grant and Medicaid and Medicare reimbursements is subject to further review and audit by the granting agencies and Medicaid and Medicare. Such reviews and audits may result in Catholic Charities incurring disallowances or other liabilities to the grantors. There are no known liabilities as a result of such review. It is the opinion of management that disallowances or other liabilities, if any, will not have a material adverse effect on the accompanying consolidated financial statements.

NOTE 11 - SUBSEQUENT EVENTS

Collaboration Agreement

Subsequent to June 30, 2015, Catholic Charities entered into an agreement with St. Vincent's Medical Center, to combine, in a collaborative effort, Catholic Charities' outpatient behavioral health services with St. Vincent's. The belief is that this collaboration will enhance the provision of a full complement of outpatient behavioral health services to patients in the greater Bridgeport area served by Catholic Charities and the Medical Center. This collaborative agreement runs through June 30, 2020 (the "Initial Term"), and stipulates that Catholic Charities agrees to make a financial contribution of fifty percent of the operating loss, up to the extent that such loss is attributable to the provisions of Catholic Charities services, up to a maximum of \$150,000 for each of the fiscal years under the agreement. At the end of the Initial Term, as defined, the Agreement will automatically renew for additional one-year periods until terminated by either Party upon ninety days written notice.
