## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors of  
Catholic Charities of Fairfield County, Inc.  
New York, New York

### **Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of Catholic Charities of Fairfield County, Inc. ("Catholic Charities"), which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

### ***Management's Responsibility for the Consolidated Financial Statements***

Catholic Charities' management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Opinion***

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Catholic Charities of Fairfield County, Inc. as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2014 on our consideration of Catholic Charities' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Catholic Charities' internal control over financial reporting and compliance.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### [1] Basis of accounting:

The accompanying consolidated financial statements have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, the accounts of Catholic Charities are reported in the following net asset categories:

##### *Unrestricted:*

Unrestricted net assets represent available resources other than donor-restricted contributions.

##### *Temporarily restricted:*

Temporarily restricted net assets include contributions that are restricted by the donor either as to purpose or time of expenditure.

##### *Permanently restricted:*

Permanently restricted net assets represent contributions received with the donor restriction that the principal be invested in perpetuity and that only the income earned thereon be available for use. Catholic Charities did not have any permanently restricted net assets as of June 30, 2014 and 2013.

#### [2] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. Financial statement areas where management applies the use of estimates consists primarily of allowance for doubtful accounts. It is management's opinion that the estimates applied in the accompanying consolidated financial statements are reasonable.

#### [3] Cash and cash equivalents:

Cash and cash equivalents are defined as highly liquid investments with original maturities of up to 90 days.

#### [4] Accounts receivable:

Catholic Charities generally does not require collateral or other security in providing health care and other services to clients. However, Catholic Charities routinely obtains assignment of clients' benefits payable under their health care insurance programs, plans or policies. Based on management's assessment of the credit history with clients having outstanding balances and their current relationships with them, it has concluded that a reserve is not deemed necessary at June 30, 2014 and 2013, respectively. Accounts receivable balances are written off when management has concluded that all reasonable methods of collection have been exhausted.

## Notes to Consolidated Financial Statements June 30, 2014 and 2013

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### [5] Property and equipment:

Property acquisitions and improvements thereon that exceed \$2,000 are capitalized at cost and depreciated on a straight-line basis over the following estimated useful lives:

Buildings	30 - 40 years
Furniture and fixtures	3 - 5 years
Automobiles	3 - 5 years
Leasehold improvements	5 - 30 years
Computer equipment	3 - 5 years

Repairs and maintenance are charged to expense as incurred.

#### [6] Refundable advances:

Amounts from grants, contracts and other funds for related program services received in advance but unearned are reflected as refundable advances in the accompanying consolidated statement of financial position and are subsequently reflected in the accompanying consolidated statement of activities during the period to which they apply as the funds are expended.

#### [7] Conditional asset retirement obligation:

Catholic Charities has a conditional asset retirement obligation for asbestos material associated with property it owns. This obligation is defined as a legal obligation associated with the future retirement of a tangible long-lived asset in which the timing and/or method of settlement is conditional on a future event that may or may not be within the control of Catholic Charities. The present value of this obligation and resulting accretion expense, together with the related asset retirement cost capitalized, accumulated depreciation and depreciation expense, are recognized in these accompanying consolidated financial statements.

#### [8] Contributions:

Unconditional contributions are recognized when pledged or received, as applicable, and are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions receivable that are expected to be collected in more than one year are discounted to their present value. Catholic Charities reports non-governmental contributions and grants of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets released from restrictions. Restricted contributions received in a period in which the restrictions are met are recognized with unrestricted net assets. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Contributed goods and services are recognized in the financial statements if they enhance nonfinancial assets or require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. General volunteer services do not meet these criteria for recognition.

### Notes to Consolidated Financial Statements June 30, 2014 and 2013

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

##### [9] Governmental grants:

Governmental grant revenue is recognized to the extent that allowable expenditures have been incurred. Grant receipts in excess of expenditures are recognized as refundable advances.

##### [10] Program revenue:

Program fees are recognized as revenue when services are provided. Catholic Charities bills for services and recognized revenue using a sliding fee scale based on patient family income levels.

##### [11] Functional expense allocation:

Expenses are charged directly to Catholic Charities program services, management and general, and development and fundraising, and based on specific identification to the extent practicable. Expenses related to more than one function have been allocated using reasonable ratios determined by management. Management and general expenses include those expenses that are not directly identifiable with a specific function, but provide for the overall support and direction of the Catholic Charities.

##### [12] Income taxes:

Both CCFC and CCFCH are not-for-profit organizations exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code.

Catholic Charities follows the provisions of ASC Topic 740-10-05 relating to accounting and reporting for uncertainty in income taxes. Accordingly, no provision for income taxes has been made in the accompanying consolidated financial statements. Catholic Charities tax returns for the years ended June 30, 2011 through June 30, 2014 are subject to examination by the Internal Revenue Service and the State of Connecticut.

##### [13] Reclassification:

Certain amounts in the fiscal-year 2013 consolidated financial statements have been reclassified to conform to the fiscal-year 2014 presentation.

##### [14] Subsequent events:

In preparing these consolidated financial statements, management has evaluated subsequent events through December 19, 2014, which is the date the consolidated financial statements were available to be issued.

### NOTE 3 - PLEDGES RECEIVABLE

Pledges receivable of \$298,595 and \$228,502, from the Annual Bishop's Appeal are outstanding and all are due within one year at June 30, 2014 and 2013, respectively.

### NOTE 4 - CONCENTRATIONS

Catholic Charities' financial instruments that are exposed to concentrations of credit risk consist of cash and cash equivalents, grants receivable and governmental grants.

**Cash and cash equivalents** – Catholic Charities places its cash deposits with credit-quality institutions. Such deposits exceed federal depository insurance limits at various times during the year. However, management believes that Catholic Charities' deposits are not subject to significant credit risk.

**Grants receivable** – Grants are supported by contracts and based on historical experience, represent negligible credit risk.

**Governmental grants** – Catholic Charities receives a significant portion of its funding from federal and state grants. As with all grants, there is a risk that future grants will be reduced or eliminated. A significant reduction in grant revenue would have a large impact on Catholic Charities' program services.

### NOTE 8 - RELATED-PARTY TRANSACTIONS (CONTINUED)

In October of 2007, Catholic Charities entered into an agreement with The Stratford Coalition for the Homeless, Inc. ("The Stratford Coalition"), a not-for-profit, non-stock corporation formed under the laws of the State of Connecticut to study and meet the needs of the homeless and hungry in Stratford, Connecticut. The agreement included Catholic Charities providing programmatic, facilities, financial, and other management services to The Stratford Coalition. The members of Catholic Charities had become members of The Stratford Coalition, but Catholic Charities had no financial interest in The Stratford Coalition. In September 2012, the assets (excluding the real property and equipment) and liabilities of The Stratford Coalition were transferred to Catholic Charities. As of the same date, the Stratford Coalition's real property and equipment were conveyed to a newly formed entity, CCFCH, of which Catholic Charities is the sole member, and The Stratford Coalition subsequently dissolved. As a result, Catholic Charities reported the fair value of the property and equipment of \$353,163 and other assets and liabilities of \$19,214 as public support revenue in the consolidated statement of activities for fiscal 2013. The operations of The Stratford Coalition were consolidated with the operations of Catholic Charities effective as of such date.

### NOTE 9 - LEASE COMMITMENTS
